Angelica

A Change of Scenery

When Angelica got divorced, the first thing she decided to do was leave the coldness of Minneapolis for the warmth of Florida. While she wasn't retired, she was heading in that direction and she'd suffered through enough winters. After her cold fish of a husband, she wanted some hot-blooded man to make her feel like a woman again. She'd heard about southern guys and thought they just might be what the doctor ordered. While she was no spring chicken, she was far from dead and she intended to make the most of what she's still got.

For the last several years of their marriage, her husband hadn't been interesting enough for her to fuck much, so she might not be at the top of her game. But that could be changed.

Surprisingly enough, all the rumors seemed to have been true as she found the men very accommodating. Having sex with a black man was another first; he didn't disappoint her.

Compared to her ex's puny prick, this guy was packing some serious potential. Angelica didn't think she could ever get tired of this type of man.

While she's started having her fun, Angelica's by no means through. She's new to town and looking for a good time, so give her a call.

WorldMags.net

Kris is a good ol' girl who loves God, country and young dick. While she might be as American as apple pie, she's definitely not as sweet. This gal's had a nasty streak running through her for as long as she can remember.

She'd never settled down for family life, knowing she just wasn't cut from that type of material. What she was good at though was picking new talent. She kind of viewed it as her mission to train guys to give a woman what she wants. She doesn't mind if they're a bit unsure of themselves when they start out, because when she's through with them, they'll be A-grade studs.

Though she's well past her prime, that doesn't seem to deter either her or the boys she chooses. She's got a reputation as the best lay in town, and with that as a point of introduction, her come-ons are rarely rejected.

You'd think with the number of men she's helped over the years she'd be a bit loose in the twat. Apparently, time's been kind to her in more ways than one and her snapper's in prime working order.

Kris firmly believes that while practice might not make perfect, but it definitely makes for a much better ride.

Are you a candidate for Kris' special services? If so, she'd love to meet you and teach you everything she knows.

Celestia

Worth the Wait

A single mom, Celestia had always had to work hard and rarely had time for herself. Vacations were definitely out of the question, let alone a long soak in the tub. So after she packed the last of her kids off to college, it was time for a bit of pampering. The first order of business was the soak, the second was the vacation. She'd always wanted to visit Antigua, and now, she was finally getting to do it.

WorldMags.net

She spent a couple of months getting herself in shape for a bikini. Not that it took much work; she seemed to defy typical rules of aging.

What she hadn't counted on was finding someone to hook-up with. But as she loosened up a bit, she realized she was full-on horny.

She was surprised by the number of men who seemed to want to bang her. For the first time in years, her pussy was getting the attention it deserved.

A blonde woman is shown from the chest up, lying down in a sexual position. She is looking towards the camera with an open mouth. A large, dark-skinned penis is visible in the foreground, partially obscuring her lower body. A hand is resting on her breast, and another hand is near her groin. The background is a simple indoor setting with a lamp visible.

She surprised herself by wanting, and begging for it, in every possible way. She loved all the new sensations a big black cock could give her.

She hopes to continue her sexy new lifestyle when she gets home. Would you like to join her?

Sally took a deep breath as the van pulled up outside. Quickly she looked at herself in the full-length mirror and checked her appearance. Her carefully disarranged mop of blonde curls and the short, loose robe gave her the look of a woman just out of the bath, or bed even.

"Perfect," she said to herself and waited for the doorbell to ring. The strident bell chime made her jump, but she waited a minute before opening the door and greeting the young man with a dazzling smile.

"Mason's Carpets, ma'am" he said and held out the heavy book of samples as if further explanation were necessary.

"Oh yes," she smiled, "Come in, I was just about to shower."

"I can come back later," he offered politely, but she shook her head and stepped back to allow him into the house.

He was a good looking man and well built too; she felt the wetness in her panties as she followed him through to the lounge looking at his firm young buttocks in his tight jeans.

The books, being heavy, he laid out on the floor for her perusal and Sally caught his furtive glance down her partially open robe.

"What color do you prefer?" he asked as she squatted down in front of him, but then he seemed to lose interest in the carpets and, instead, stared between her legs where the little white panties completely failed to cover her pouting labia.

"Any color that doesn't show the stains."

"Stains?" he looked baffled.

SWINGING SALLY

"Semen stains, I want you to fuck me," she said softly, so softly that he thought he might have heard wrong.

"I beg your pardon?"

"I said I want you to fuck me," she said again and parted her legs even wider. "I need your prick inside me."

I felt my own prick rising as I watched my beautiful wife staring at the bulge in his jeans. It had started out as a fantasy while we were screwing. She loved to talk about me watching her being fucked by another guy and up until this minute, that was what it had been, a fantasy!

But last night, we'd both been drinking heavily and halfway through sucking my prick, she'd stopped and looked up at me. "I bet you'd love to see me with another man's prick in my mouth, wouldn't you?"

"You know I would," I said as she took another long slurp, "Tell me what you'd do to him."

"I'd play with his balls while I'd got his cock in my mouth."

"What about if he wanted to eat you?" I asked.

"I'd let him, of course," she said it as if it was obvious.

"I'd want you to be there, of course, but yes, I'd really love to feel another man's tongue in my pussy."

"Mmm, yes."

"What would you do if he wanted to fuck me?"

"Well, of course, he'd want to fuck you, who wouldn't?"

"I bet you'd get hard, wouldn't you?"

"Fuck yes," I agreed as she ran her tongue all the way up my prick.

"Would you play with yourself while you watched him taking my panties off?"

"I'd be stroking like hell," I replied.

"He might want to lick me with them on, like you do."

"Perfect, I'd film it, every single minute of it."

She was still excited about it as we cuddled up together in bed!

Reaching out to him, she laid a hand on his bulge and her robe fell open completely, allowing him an unfettered view of her firm, young breasts as she took his trouser zip down slowly and released his straining prick.

I'd like to say it was small and soft, but it wasn't. It was at least eight inches long and it looked rock hard. My heart lurched as she licked her lips and closed her mouth over his swollen dome; the guy sat back and grinned, a rapt expression on his face.

"Ooh, baby," he growled. "You're the stuff dreams are made of."

She looked up at him and with one last lick, stood up to shrug off her robe. "Take your pants off," she said and seductively ran a long, slim finger down over the front of her panties, "Then you can take mine off."

He shattered the world record for the removal of trousers and then knelt in front of Sally and kissed her stomach. She looked up at where I stood just inside the bedroom door and blew me a kiss as he kissed the outline of her slit through the gossamer thin panties.

Slowly, he drew her panties down over her hips and thighs and moaned as she pushed her groin right into his face.

"Yes that's it, right there," she used both hands to pull apart her lips for his tongue.

"Suck my clit, ooh yes."

Gently, he pushed her back until she had to sit on the couch. I expected her to push him away, but instead, she grabbed his hair, pulled his face down to her groin and wrapped her legs around his neck.

"Now fuck me with your tongue."

He did and I just had to stroke my cock as I watched him feeding on my wife's sweet little cunt! She was writhing and squirming, holding his mouth in place while she took her pleasure, her eyes caught mine but then closed as his tongue flicked over her clitoris. She was in ecstasy and I could see his prick jutting out obscenely as he slurped.

Without needing her to ask, he moved up her body until his prick was nudging at her puffy labia. She squealed as he thrust forward into her soaking wet cunt and I watched as she gripped his hairy buttocks trying to pull him in even further.

"Yes," she hissed, "You're fucking me, you dirty bastard, your nasty big cock is fucking my hot little cunt."

I watched his hands slide under her cute little ass and I expected her to pull away as he prodded a finger against her tiny puckered hole. Instead she squealed again and pulled his face down to mash her mouth against his.

"Do it there," I heard her whisper, "Do it in my ass."

I wanted to stop it right there, but I knew I couldn't. I had to know if she'd go through with it. Surely she'd stop it now; she'd never allowed me in her ass. She always said it was dirty, and anyway, it would hurt too much!

He withdrew. I could clearly see his prick coated with her juices and it seemed to happen in slow motion. I watched her hand coming from between their bodies; her fist gripped his shaft and guided it down until it was poised at her tiny puckered hole.

"Do it," she hissed and gripped his hairy buttocks to pull him in.

"Oooh, fuck yes," she moaned as I watched it slide in effortlessly. "That's so fucking good, do it baby, do it, shag my fucking asshole."

She was bucking up against him, writhing in

ecstasy, all the while licking and nibbling at his earlobe. She was whispering something, but I couldn't hear what it was and I felt the pangs of jealousy like a knife in my heart as I watched them.

"I knew you were hot when I first saw you," he said and she giggled.

"But I bet you never thought you'd be fucking my tight little ass, did you?"

"No, but I sure wanted to," he laughed. "When I first saw your pretty little pussy straining against them tight little panties, I sure thought my luck was in."

"I knew mine was, baby, now shove that lovely fat cock right up my fucking asshole."

This wasn't real, I'd never heard her like this before, she actually had a finger up his anus while she encouraged him with whispered words of filth in his ear and she was moaning with the obvious pleasure that his prick was giving her.

"Deeper, baby, do it fucking deeper, I'm gonna fucking cum."

He renewed his efforts and I watched as her fingernails drew blood from his back. She was breathing heavily now, gasping for breath, which I knew was a sign she was about to orgasm. I could see her eyes over his shoulder. They were wide and staring right into mine, her mouth opened and she squealed.

"Yes, yes, oh fuck yes, I'm coming, I'M FUCK-ING COMINGGGGGGGGGG."

Ten minutes later, he was out the door, but only after a long, slow and very noisy wet kiss with my wife's naked body draped round his and his hand caressing her sexy little ass.

"Come back next week with some more samples, won't you?" she said softly and watched him drive away.

Raquel

Once a Star...

Raquel had been a porn star when she was younger, retiring from the business when the producers told her that 35 was just too old. Since then, she's bounced from job to job, though she hasn't really liked anything she's tried - definitely nothing inspired the same level of passion that being screwed in front of a camera had.

WorldMags.net

Not that her sex life had died when she retired from the industry. She could no more give up sex than food, though she just had to work a bit harder for her fix.

Lots of people would like to be able to say that they've fucked a porn star, however long ago the title could have been applied. Considering her mileage, Raquel didn't do bad for herself.

She'd never been one to just
fuck for show - she really worked
it for all she was worth.

Tit-fucks had always been one of her favorite things. There is nothing like the feel of a shaft between her puppies and the resulting face splattering of cum.

You too could be lucky enough to say
that you screwed a porn star. Just give
her a call.

Kayla

*Playing the
Age Game*

Instead of spending Christmas by herself, Kayla decided to visit her daughter and grandkids in Malibu. She was looking forward to actually being able to lounge by the pool over the holidays, rather than shiver through inches of snow.

She prided herself in looking as young as money could make her and fully intended to use the situation to her advantage.

She absolutely refused to tell her real age, passing herself decades younger, which got her decades younger partners. Hell, as long as the body could take it, why not give it what it wants.

This bulge in this guy's trunks had convinced her that he would be worth a closer look.

He was worth more than a look, as she discovered. A look led to a taste which led to this granny getting her box properly reamed.

A woman with long dark hair is lying on her back on a patterned surface. Her chest is exposed, and her breasts are large and light-colored. A hand is visible near her chest, touching her skin. The lighting is warm, and the overall tone is sensual.

Keeping it young means no
holes barred and Kayla isn't
about to start making new
rules.

For your own taste of well-aged
pussy, give Kayla a call.

Kim & Sky

Good Things Cum in Threes

Sky and John had been dating for over a year, and even though he was dating a young, hot blonde, John was a typical guy and wanted more - more as in another woman in their bed. Sky'd always had an open mind about sex and was generally up for whatever John suggested, though she'd hesitated over this particular request. She wasn't sure she liked sharing her man with another woman and she had no experience with women, herself. The only way she'd agree to it was if their first time could be with someone who knew the ropes. It just so happened that their neighbor, Kim, fit the specifications to a T.

WorldMags.net

It was well-known that Kim lead the life of a libertine, and to top it off, she was still smoking for her age.

John wasn't going to argue. If there was a chance of having 2 chicks at once, he'd agree to just about anything.

Kim had been having threesomes for almost as long as the couple had been alive, so she knew how to make it a truly mind-blowing experience.

Though Sky had never imagined she'd be brave enough to play with another woman, she actually found herself liking it, even getting worked up by it.

Kim made sure that they kept things switched up, swapping John's sticky cock between their holes.

There is plenty that Kim can show these two. Would you like to watch?

Nicole
*You're Only as
Old as You Act*

Back in the day, Nicole had been pretty hot stuff. She'd pretty much had her pick of men, or women, for that matter, and had never denied her urges. Though the years have taken their toll and she's not quite the looker she used to be, her hedonistic nature hasn't changed, even though she's might not be as constantly voracious. As her partners know, a woman who loves sex as much as Nicole is someone who should not be taken for granted.

Given her active lifestyle,
she's just as limber as ever
and can outstrip much
younger women.

Though it would seem that by this point she would have had her fill of fucking, it seems to only make her want it even more. You could say she's addicted to stuffing her pussy.

Fucking

And given the men that she favors,
her pussy is generally well and fully
stuffed. With large schlongs, she just
can't go wrong.

Nicole's always up for nooky. Are you too?

Dr. Sabrina returns with more words for you

The lusty lesbian encounter continues.

"Darling, it doesn't have to go any further, I'm happy just to have made you happy." Danita added.

My head was spinning at this point and I knew that I wanted, needed to return the favor..

In a lust-induced daze, I started to strip Danita, fumbling often over the buttons and straps, clothing which I'd often removed from myself but never off of another person. I took in the sight of Danita, in only her panties and underwear at this point and marveled at how sexy this goddess of lust appeared. Her frilly undergarments were the only two things separating me from my first taste of another woman. I could smell her excitedness intermingling with my own.

Maybe it was my lack of my experience or maybe I was just taking too long but now I heard Danita begging for me to eat her out. I started out slowly, taking tentative little licks of her pussy but this didn't last long. Emboldened by her moans and pleas, I started to suck on her clit and knead her breasts until she became a madwoman, consumed by lust.

"Finger me, you slut, finger me now," she commanded. I eagerly complied, intoxicated by the scent and feel of my first woman. I took it one step further and inserted a finger into her pretty, pink little asshole. She started spasming uncontrollably and I knew she was cumming. I kept sucking her clit and fingering both her holes until I was rewarded by a flood of pussy juice all over my face.

This was the first time but not the last.
Love to all of you. – Dr. S

To my readers,

Last issue I ended my column by promising to tell you what my first taste of pussy was like, Well, I never break promises, especially when it comes to sex.

As you might recall, probably while you're stroking your cock, my old friend Danita had just finished giving me a mind-blowing orgasm using her tongue and her fingers.

It was my first time with another woman

and I clearly remember silently scolding myself for waiting so long. Oh, well, better late than never.

Getting back to the sexy story, as I lay there fully spent and content, I realized that Danita still had all her clothes on and was looking at me with a knowing smile.

"You liked that, didn't you?" she asked.

I could only nod.
